***\* In an effort to address CIC needs for those sites that do not have a CIC assigned the PAI Unit has assigned a CIC to Unit's A and B. The Unit CIC, if time permits and site information is shared, may assist with:***

- ***community involvement legal requirements at non-CIC assigned sites,***
- ***assist with identifying opportunities for good news stories, site milestones and social media opportunities, when kept informed of site activities through the Unit,***
- ***provides support and coordinate with the EJ Program on Superfund site needs, as necessary, and,***
- ***assist with site reuse and redevelopment opportunities, as necessary.***

Post Construction/Emergency Response/SA/Remedial sites – no site specific CIC assigned unless noted above. Unit CIC will provide assistance as needed and as time permits. The Regional Public Liaison serves as the contact should questions come up with these older sites.
